This serial belongs to the dark and brooding Sean Ferro. He's the first Ferro I was introduced to, and he holds a piece of my heart. As the series start out, Sean is very mysterious, and to be honest 15 volumes in (when I'm writing this review), he still is a bit of an enigma. There is still a lot to be learned. He's a dark SOB, this one.

Betrayal, Forbidden Love. Lawn Boy. I'm not a catch. I'm not even certain I'm what they'd call 'mentally stable, ' not anymore. Too much has happened too fast and it ripped my soul in half. I'm alone, with a plastic stick in my hand that says the one word we'd been so eager to see: Pregnant. Lucky in love once is a miracle, but I lost him, and this baby is all I have left. My life turned to ash in a blink and there's nothing I can do about it. Years pass and I'm still here, but it doesn't feel like it, not until the lawn guy, Daniel Clement, checks me out. Me. A yoga-panting, pony-tailing, frumpy-butt, frizzy mommy who's covered in whatever the baby tossed on me at lunch. Daniel's dark eyes linger too long, as if he likes what he sees. I'm shocked and flattered, but he's too young. The age gap between us is over a decade, but that doesn't stop him. If I sleep with him, everyone will think I've lost my

mind. Maybe I have. Every time I see Daniel's sexy, toned body glistening in the sunlight, I consider feeling him pressed against me, naked. The few times his fingers grazed my skin were heaven, but once the clothes come off--he's a god and I'm... me. I've been alone for so long. Surely one kiss won't hurt anything; one taste of his mouth should be harmless. Things don't have to go that far, but I'm wrong. Love only comes around once in a lifetime. Only fools think otherwise, and I'm the biggest fool of them all. Type: Stand alone New Adult novel

could go wrong?" They say the best way to get over a broken heart is a random hook-up. So my new BFF is dragging me to a bar. All I have to do is wear a slutty dress, choose a dude, and do the deed, right? The thing is, this isn't me. I'm the good girl-the one who has sex for love. But, since the love of my life is shackled up with someone else, I guess it's time to move on. One night, one time. That's all. I'll have a clean slate. A guy with a sketch pad, sitting alone, catches my eye. I'm a sucker for the artistic type with dark hair and bright blue eyes. Soon we're in his hotel room doing things I've never done. His smoldering body, perfectly toned with hot skin and a firm touch, has my mind reeling with the things to come. We're both naked and glistening with sweat, breathless. And then he darts, right before doing the deed, abandoning me in his room. He doesn't return. A week later I see
