*The Billion Dollar Marriage Contract Alyssa Urbano ...*

There are no sureties. If you want something badly, you'd have to trust your heart and your instincts and then take a leap of faith.". - Alyssa Urbano, The Billion-Dollar Marriage Contract. tags: faith , gamble , heart , instincts , leap-of-faith , life , love , trust-your-heart.

Doomed from the start... Nikos Demakis and Cassia Andrade were married under a billion-dollar company merger contract. Nikos isn't ready to give up his playboy lifestyle, and Cassia is far from the glittering socialite that their elite circle expects. Events force them to live separate lives. Ten years later, Nikos is ready to give it all up and settle down with the wife he only sees once a year. Cassia is also ready to settle down...just not with Nikos. Will Cassia once again surrender herself to the man who scarred her forever? Or will she give up her inherited fortune to leave and never look back? Will they still be able to fulfill the terms of their billion-dollar marriage contract, when death and danger stalk them at every turn?

How to redeem the world's richest playboy? Marry a Cinderella! Fantastically wealthy Thanos Stathakis almost has it all. He requires just one last company to complete his empire. But to acquire it, he must counter his scandalous reputation-with a wife! His executive assistant, Alice, is the perfect choice-oh-so-respectable and in need of financial support for her family. He persuades her their vows are purely for show. Until he lifts Alice's veil and their intense, electrifying kiss complicates everything... Step into the Greek's decadent world with this emotional Cinderella story

In order to serve their own selfish needs, struggling bookstore owner Alexa and billionaire Nicholas decide to be in a loveless marriage for only a year, but things get complicated when love grows between them.

I don't want to relive the tragedy of our doomed marriage... Shannon's surprised in the middle of a winter night when her estranged husband, Kyle, pays her a sudden visit. The passionate pair had married quickly after they'd met, but Shannon's young age and Kyle's flirtatious ways quickly led them to the verge of divorce. What could he want after all this time? Kyle shocks a confused Shannon with a hot kiss and declares that he needs her. Her heart wavers for a second, but she freezes when she realizes his request has nothing to do with love...

Rethinking the entire legal process of marriage, which is built upon bad laws and old traditions, this revolutionary plan makes a series of simple, yet logical, adjustments to the order and manner in which things are currently done. By shining a brilliant light upon the factors that have caused marriage to fail and divorce rates to skyrocket, the resulting process takes on the power to dramatically increase the satisfaction level within a marriage throughout the duration of the experience. With society evolving at an unbelievable pace and new technologies giving us instant access to information, the institution of marriage is simply not keeping up, and millions of people are prevented from reaching their highest potential. By introducing the concept of "term limits" into a marriage contract, these changes and the development of individual freedoms are more widely considered in the drawing of an agreement-arguably the most important relationship a person will enter in their lifetime-that has ironically been almost void of thought at inception. The system introduced in this book examines the objectives of marriage and creates an arrangement to support, rather than undermine, those goals, at a time when the definition of marriage could not be more critical.

This book proposes a new 'parent-partner' legal status emphasizing obligations of parents to each other and to their children.

Lillian Brunette is desperate for a job. Six months pregnant and recently divorced, she needs health insurance and an income if she's ever going to be able to take care of herself and the baby--if what happened to her first pregnancy happens again. So when her best friend tells her that the billionaire bachelor is looking for an assistant, she jumps at the opportunity to interview.Reed Williamson is trying to get over his broken heart. When he finds out that his fiancée ended up pregnant with his half-brother's baby, he's written off all relationships. Which he was doing a good job at until he finds out that in order to inherit his family's investment company, he has to be married. Out of desperation, Reed's mom puts in a call to an elite matchmaking agency to find him a contract wife. At least with that, there's no chance of falling in love.After an episode of mistaken identity, Lillian finds herself contractually obligated to marry Reed. Which is the ideal relationship for her. Faking a marriage seems easy, until she finds out that Reed is kind and incredibly handsome. And just might be what she wants in a family. If only he could accept the secret she's so desperate to hide.

Buried secrets never stay hidden in the South. Savannah I'm the one who broke up the golden couple. The woman people still whisper about, point at, and give dirty looks to. Did I sleep with the prom king? No. Did I sleep with the town's golden boy on vacation from college? Yes. Did I believe that he was going to marry me? Wholeheartedly. Did he? Not even close. He got engaged right in front of me and then his father threw two hundred dollars at me and told me to take the trash out. So, I raised my son in a town where people love him because they think that his father is the sheriff. It was going great, everything was working out till my lie got out. Beau I was getting ready to take over the mayoral office from my father, who was my hero. Until I heard the secret he hoped would stay buried forever. My brother has a son, not just any son but a son with the woman who was my best friend. The woman I secretly have loved from the moment she stood up to me and broke my nose in kindergarten. I need to protect her and in order to do that, we need to get married. Too bad her nightmare is my dream come true.

\* Instant NEW YORK TIMES and USA TODAY bestseller \* \* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \* \* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius-his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy-this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six
