In The Crooked Timber of Humanity he exposes the links between the ideas of the past and the social and political cataclysms of our own time: between the Platonic belief in absolute truth and the lure of authoritarianism; between the eighteenth-century reactionary ideologue Joseph de Maistre and twentieth-century Fascism; between the romanticism of Schiller and Byron and the militant — and sometimes genocidal — nationalism that convulses the modern world.

The Crooked Timber of Humanity | Princeton University Press

"From the crooked timber of humanity no straight thing was ever made." -- Immanuel Kant Isaiah Berlin sees human life as necessarily tragic, not because of human depravity in a Christian sense but because of the incompatibility of human goods. Humans will never be able to attain both perfect liberty and perfect equality, for example; they must make a difficult choice between them or seek only a partial measure of each.

The Crooked Timber of Humanity: Chapters in the History of ...

The Crooked Timber of Humanity: Chapters in the History of Ideas, Second Edition Isaiah Berlin is regarded by many as one of the greatest historians of ideas of his time. In The Crooked Timber of Humanity, he argues passionately, eloquently, and subtly, that what he calls 'the Great Goods' of human aspiration - liberty, justice, equality - do not cohere and never can.
