The Education of a Speculator is one of those provocative memoirs, but it is still thought-provoking. Victor Niederhoffer might be an unusual person and his style of writing is not linear (there is a lot of time hopping in this book) but it all comes together in the end.

The Education of a Speculator by Victor Niederhoffer PDF

A speculator who anticipates upward price movement would want to take advantage by buying futures contracts. If predictions are correct, then the contracts can be sold later at a profit. If it's expected that prices were going to move downward, the speculator would want to sell now and, if all goes as planned, buy back later at a lower price.

Hedgers & Speculators

The Education of a Speculator is a sojourn inside the one-of-a-kind mind of Victor Niederhoffer, a trader in commodities and a keen observer of life. He has trained himself to look at the world in a singular fashion: where the guy on the street sees opportunity, Niederhoffer has scoped out all the downsides and done the contrarian thinking necessary to turn a profit.
