The Hamlet, A Novel: Amazon.co.uk: William Faulkner: Books

The Hamlet, novel by William Faulkner, published in 1940, the first volume of a trilogy including The Town (1957) and The Mansion (1959). The narrative is set in the late 19th century and depicts the early years of the crude and contemptible Flem Snopes and his clan, who by the trilogy ' s end supplant the dispirited gentry class (represented by the Sartoris family) of Frenchman ' s Bend, Miss.

The Hamlet Summary - eNotes.com

William Faulkner, The Hamlet . First published in 1940 . BOOK ONE . Flem . CHAPTER ONE . Frenchman's Bend was a section of rich river-bottom country lying twenty miles southeast of Jefferson. Hill-cradled and remote, definite yet without boundaries, straddling into two counties and owing allegiance to neither, it had been the original

William Faulkner, The Hamlet - literature save 2

My life would have been significantly lessened without this great book. "The Hamlet" joins "Absalom, Absalom" and "The Wild Palms" as Faulkner books I've read for the first time relatively late in life. "The Hamlet," published in 1940, is one of Faulkner's great works. In it, Faulkner displays a wonderful rough-edged humor, as rich and knowledgeable about frontier life as Clemens. The book can stand with "Huckleberry Finn" as a comic masterpiece.

Faulkner's "The Hamlet" stands among his master works ...

The Hamlet - Wikipedia

The Hamlet, the first novel of Faulkner's Snopes trilogy, is both an ironic take on classical tragedy and a mordant commentary on the grand pretensions of the antebellum South and the depths of its decay in the aftermath of war and Reconstruction. It tells of the advent and the rise of the Snopes family in Frenchman's Bend, a small town built on the ruins of a once-stately plantation. Flem Snopes -- wily, energetic, a man of shady origins -- quickly comes to dominate the town and its people with his cunning and guile.

The annotations in this volume, originally published in 1996, intend to assist the reader of Faulkner ' s The Hamlet to understand obscure or difficult words and passages, including literary allusions, dialect, and historical events that Faulkner uses or alludes to. This title will be of great interest to students of literature.

This is the second volume of Faulkner ' s trilogy about the Snopes family, his symbol for the grasping, destructive element in the post-bellum South. Like its predecessor The Hamlet, and its successor The Mansion, The Town is completely self-contained, but it gains resonance from being read with the other two. The story of Flem Snopes ' ruthless struggle to take over the town of Jefferson, Mississippi, the book is rich in typically Faulknerian episodes of humor and of profundity.

Set in Mississippi during the Civil War and Reconstruction, THE UNVANQUISHED focuses on the Sartoris family, who, with their code of personal responsibility and courage, stand for the best of the Old South's traditions.

Here, published in a single volume as he always hoped they would be, are the three novels that comprise William Faulkner ' s famous Snopes trilogy, a saga that stands as perhaps the greatest feat of this celebrated author ' s incomparable imagination. The Hamlet, the first book of the series chronicling the advent and rise of the grasping Snopes family in mythical Yoknapatawpha County, is a work that Cleanth Brooks called " one of the richest novels in the Faulkner canon. " It recounts how the wily, cunning Flem Snopes dominates the rural community of Frenchman ' s Bend—and claims the voluptuous Eula Varner as his bride. The Town, the central novel, records Flem ' s ruthless struggle to take over the county seat of Jefferson, Mississippi. Finally, The Mansion tells of Mink Snopes, whose archaic sense of honor brings about the downfall of his cousin Flem. " For all his concerns with the South, Faulkner was actually seeking out the nature of man, " noted Ralph Ellison. " Thus we must turn to him for that continuity of moral purpose which made for the greatness of our classics. "

" Make [your] characters want something right away—even if it ' s only a glass of water. Characters paralyzed by the meaninglessness of modern life still have to drink water from time to time. " —Kurt Vonnegut " ' The cat sat on the mat ' is not the beginning of a story, but ' the cat sat on the dog ' s mat ' is. " —John Le Carr é Nothing is more inspiring for a beginning writer than listening to masters of the craft talk about the writing life. But if you can ' t get Vladimir Nabokov, Virginia Woolf, and Gabriel Garc í a M á rquez together at the Algonquin, The Modern Library Writer ' s Workshop gives you the next best thing. Stephen Koch, former chair of Columbia University ' s graduate creative writing program, presents a unique guide to the craft of fiction. Along with his own lucid observations and commonsense techniques, he weaves together wisdom, advice, and inspiring commentary from some of our greatest writers. Taking you from the moment of inspiration (keep a notebook with you at all times), to writing a first draft (do it quickly! you can always revise later), to figuring out a plot (plot always serves the story, not vice versa), Koch is a benevolent mentor, glad to dispense sound advice when you need it most. The Modern Library Writer ' s Workshop belongs on every writer ' s shelf, to be picked up and pored over for those moments when the muse needs a little help finding her way.

The Mansion completes Faulkner ' s great trilogy of the Snopes family in the mythical county of Yoknapatawpha, Mississippi, which also includes The Hamlet and The Town. Beginning with the murder of Jack Houston and ending with the murder of Flem Snopes, it traces the downfall of the indomitable post-bellum family who managed to seize control of the town of Jefferson within a generation.

Tom " T " Walker, a 57-year-old businessman, knows better than to pick up a beautiful young woman hitchhiking with her dangerous-looking boyfriend, but he stops for them anyway. He ' s been living alone, his life ruinously off course, in such utter isolation from everyone he has ever loved that he welcomes the company and the excitement. But as T finds himself pulled into the chaos of their world in a way he will barely survive, he comes to see his personal history and experiences in an altered and troubling light. Edward Falco brings stunning emotional depth and tense action to unforgettable characters as they journey through the mundane world to places where illusions fail and they must face their hidden selves.

Hailed by critics and scholars as the most valuable study of Faulkner's fiction, Cleanth Brooks's William Faulkner: The Yoknapatawpha Country explores the Mississippi writer's fictional county and the commanding role it played in so much of his work. Brooks shows that Faulkner's strong attachment to his region, with its rich particularity and deep sense of community, gave him a special vantage point from which to view the modern world.Books's consideration of such novels as Light in August, The Unvanquished, As I Lay Dying, and Intruder in the Dust shows the ways in which Faulkner used Yoknapatawpha County to examine the characteristic themes of the twentieth century. Contending that a complete understanding of Faulkner's writing cannot be had without a thorough grasp of fictional detail, Brooks gives careful attention to "what happens: In the Yoknapatawpha novels. He also includes useful genealogies of Faulkner's fictional clans and a character index.
