A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefellers, Rothschilds, Adamses, and Bushes. Reviewing the evidence, documents, and connections, The Illuminati: The Secret Society That Hijacked the World by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government’s accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. He investigates their origin as “The Ancient and Illuminated Seers of Bavaria,” the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, the Protocols—or procedures—for usurping national governments and gaining world domination, the symbolism found in today’s international corporate logos, Knights Templar, assassins, Skull and Bones, whistle blowers, the revolutions in France, Russia, and America, and much, much more. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to powerful people, and their place in modern America.

This American underground classic is a rollicking cosmic mystery featuring Albert Einstein and James Joyce as the ultimate space/time detectives. One fateful evening in a suitably dark, beer-soaked Swiss rathskeller, a wild and obscure Irishman named James Joyce would become the drinking partner of an unknown physics professor called Albert Einstein. And on that same momentous night, Sir John Babcock, a terror-stricken young Englishman, would rush through the tavern door bringing a mystery that only the two most brilliant minds of the century could solve . . . or perhaps bringing only a figment of his imagination born of the paranoia of our times. An outrageous, raunchy ride through the twists and turns of mind and space, Masks of the Illuminati runs amok with all our fondest conspiracy theories to show us the truth behind the laughter . . . and the laughter in the truth. Praise for Masks of the Illuminati “I was astonished and delighted . . . Robert Anton Wilson managed to reverse every mental polarity in me, as if I had been pulled through infinity.”—Philip K. Dick “[Wilson is] erudite, witty, and genuinely scary.”—Publishers Weekly “A dazzling barker hawking tickets to the most thrilling tilt-a-whirls and daring loop-o-planes on the midway to a higher consciousness.”—Tom Robbins “Wilson is one of the most profound, important, scientific philosophers of this century—scholarly, witty, hip, and hopeful.”—Timothy Leary

This is the ultimate book revealing many many secrets and techniques of Illuminati Mind Control and a huge amount of unpublished information about what has really been going on for quite a while. If you have unanswered questions, look no further, what you seek may just happen to be inside. An incredible read, that requires a strong stomach as they spare no punches.

The world keeps changing extremely fast, but in times of abundance and scarcity, under revolutions or wars, many have prospered. And they did so by looking at the patterns of reality. They understood these Divine Patterns and used them to achieve their personal goals. The patterns have been kept secret for thousands of years in religious books, manuscripts and even fairytales, under allegories and metaphors meant to hide them in plain sight. The enlightened ones — those who can see, called that Sacred Geometry, in a direct reference to the Creator. They then studied the nature of life through the art of the Almighty God, the Master Architect of the Universe. For “The secret of the occult sciences is that of nature itself” (Albert Pike, Freemason). They discovered that there is only one Truth, one God and one religion, despite the many branches characterizing the impulses of the masses. They also saw that this Truth is manifested by the highest moral state, from which the highest wisdom is received. That is when “the half-told story comes to be finished” (Arthur Conan Doyle, Freemason). The one who completes these studies becomes a master of the craft, for he possesses the capacity to alter reality with his mind, and create new worlds like a mason or builder. He becomes both aware and responsible of what he experiences, as much as he is made able to transition to new momentums and alter the future. For “When the Mason learns that the key is a proper application of the dynamo of living power, he has learned the mystery of the craft” (Manly P. Hall, Freemason). This great secret was reorganized here to show you exactly how to experience it, and despite the many attempts of others to remove this knowledge from the public eye. This information comes now as a great opportunity for you to transcend into a new perspective on the attraction of wealth.
