September 20, 2012. Written by Chad Wesley Smith. The Juggernaut Method is a great training option for Strongman competitors. Strongman places a great emphasis on maximal strength, explosive strength, strength endurance and athleticism, all traits which the TJM will help you fully develop. Programming for Strongman is a very challenging task for many reasons such as; different athletes need to emphasize different aspects of their training (some have adequate maximal strength but are slow ...

The Juggernaut Method and Strongman | Juggernaut Training ...

The best part about the Juggernaut Method 2.0 was the inverted version which the author now uses in preference to his original method. It results in the same total volume but with lots more sets, less reps per set, shorter rests, the same level of intensity (moderate if you go to 10x3 rather than 3x10 with the same weight).

The Juggernaut Method 2.0 – Juggernaut Training Systems

The Juggernaut Method: The Program Let's take a look at the actual Juggernaut Method. As you can see, the program is far from your simple weekly template that you might expect from a StrongLifts 5x5 or Starting Strength. First of all, though it is not shown in the chart above, the program features four times weekly lifting.

Become Unstoppable? Juggernaut Method Review ...

CWS, in Juggernaut Method 2.0, believes that getting strong is simple, and by focusing on big lifts, technique and accumulating small PRs each session, a lifter is well on their way to getting strong. The main influences of the program are Jim Wendler's 5/3/1 and Doug Young's block periodization.

Chad Wesley Smith's Juggernaut Method 2.0 Review - The ...

The Juggernaut Method. I forgot to mention in yesterday's Good Reads one really good read: "The Juggernaut Method" by Chad Wesley Smith. It is a strength training system aimed at (advanced) intermediate level lifters that is basically 'improved' (if I dare to say it) Jim Wendler's 5/3/1 system, that also utilize some elements of Block Periodization (only when it comes to third ...
