Build a disruptive marketing agency for the modern age The marketing services industry is on the cusp of a truly transformational period. The old guard, rooted in tradition and resistant to change, will fall and new leaders will emerge. Hybrid marketing agencies that are more nimble, tech savvy, and collaborative will redefine the industry. Digital services will be ingrained into the DNA and blended with traditional methods for integrated campaigns. The depth, versatility, and drive of their talent will be the cornerstones of organizations that pursue a higher purpose. The Marketing Agency Blueprint is a practical and candid guide that presents ten rules for building such a hybrid agency. The new marketing agency model will create and nurture diverse recurring revenue streams through a mix of services, consulting, training, education, publishing, and software sales. It will use efficiency and productivity, not billable hours, as the essential drivers of profitability. Its value and success will be measured by outcomes, not outputs. Its strength and stability will depend on a willingness to be in a perpetual state of change, and an ability to execute and adapt faster than competitors. The Marketing Agency Blueprint demonstrates how to: Generate more qualified leads, win clients with set pricing and service packages, and secure more long-term retainers Develop highly efficient management systems and more effective account teams Deliver greater results and value to clients This is the future of the marketing services industry. A future defined and led by underdogs and innovators. You have the opportunity to be at the forefront of the transformation.

The CIM Handbook of Strategic Marketing targets senior executives responsible for shaping and managing the company's strategic direction. The strategic dimensions of marketing management are emphasised along with the critical importance of matching the company's capabilities with genuinely attractive market sectors. The Handbook's strategic perspective and pragmatic outlook pervade the text and underpin its practical foundations. The rise of global competition and continuous innovation have redefined market structures, reshaped industries and given customers unprecedented value and choice. In this era of customer sovereignty there is a tremendous amount of pressure on organizations to adopt the principles of the marketing concept and to develop a much sharper strategic focus. The CIM Handbook of Strategic Marketing is a reference source to guide effective marketing practice. It provides supportive material for managers and employees who are building their marketing competence by attending training programmes, and includes contributions from leading academics - such as, Peter Doyle, Malcolm McDonald, Nigel Piercy The book amounts to a firm blueprint written by leading marketing thinkers for designing and implementing effective marketing strategies and improving business performance. Colin Egan is Professor of Strategic Management at Leicester Business School. Michael J Thomas is Professor of Marketing at the University of Strathclyde Business School.

Creating the Strategy is a practical guide that brings together the most important elements of business strategy, B2B marketing theory and sales management. Aimed at those wanting to structure their organizations around the winning and keeping of customers in B2B markets, the book introduces a number of unique and powerful methodologies proven in workshops conducted with clients such as Mercedes-Benz and AXA Insurance. It is structured around the Sales & Business Performance Value Chain, a unique and integrated process that builds awareness and understanding of all factors impacting on sales and business performance, providing an important diagnostic tool. Whether you are working for a large organisation or a small company, Creating the Strategy will help you recognise and implement the key elements responsible for creating outstanding sales and business performance in B2B markets.

A smart, practical guide to rocket-powered business growth Aligned to Achieve puts sales and marketing on the same page, creating a revenue 'dream team' that will drive your organization to new heights. Smart, practical explanations, case studies, and tips guide you toward action over theory, and dozens of examples illustrate the tangible effects of these changes in action at business-to-business companies. Written by sales and marketing executives who have made alignment work, this book is directed toward practitioners and leaders seeking to crack the code of sales and marketing alignment. Contributions by industry thought leaders and B2B executives provide fresh perspective and nuanced direction, while thoughtful, strategic, and well-supported guidance throughout helps you remove the obstacles standing in the way of your organization's financial and strategic goals. Misalignment between sales and marketing is an age-old problem—frequently lamented, but seldom addressed. As this schism grows amidst the evolving marketplace, its effects on top and bottom line performance are being felt more than ever before. This book shows you how to bring sales and marketing together effectively once and for all, leveraging their strengths to build an unstoppable force for growth. Understand the cost of misalignment and the driving forces behind it Learn strategies for improving your culture, process, leadership, and technology to initiate and support alignment Identify the best places to modify your sales and marketing programs to kickstart collaboration and cooperation between your teams Discover how other companies are uniting their sales and marketing teams into a single force for growth Walk away with practical advice on how to apply recommendation in the real world Misalignment is frustrating for everyone in sales, marketing, and leadership. It's also detrimental to your organization's performance—but the problem is not insurmountable. In fact, most of the obstacles it creates are self-inflicted, and entirely within control of leadership. Aligned to Achieve helps you identify and remove those obstacles, and build a culture of sustainable growth.
