The Return of the Moor examines the anxiety over symbolic and literal boundaries permeating the Spanish reception of these immigrants through an interdisciplinary analysis of social, fictional and performative texts.

Project MUSE - The Return of the Moor
Perceived as a contemporary “ return of the Moors, ” the arrival of Moroccan workers over the last twenty years has obligated Spain to confront old ghosts related to its own national, regional, racial, and cultural identities. Moroccans today are received differently from...

Coinciding with a time when Spain is highlighting its belonging to Europe, the growing presence of Moroccan immigrants in particular confronts Spanish society with the repressed non-European, African and Oriental aspects of its national identity. "The Return of the Moor" examines the anxiety over symbolic and literal boundaries permeating the Spanish reception of these immigrants through an interdisciplinary analysis of social, fictional, and performative texts.

Popular materials seen globally derive from a milieu associated with "exilic" and "diasporic" discourses. These discourses produce "nostalgic" images of a long-since-gone Cuba, and their production and consumption have gradually increased in response to the aesthetics of "ruin" that rose during the Special Period.

anxiety over symbolic and literal boundaries permeating the Spanish reception of these immigrants through an interdisciplinary analysis of social, fictional and performative texts. It argues that Moroccans constitute a “problem” to Spaniards not because of their cultural differences, as many claim, but because they are not different enough.
