Betty Crocker's Bread Machine Cookbook also offers a host of recipes for doughs to mix, then shape and bake in a conventional oven -- such as focaccia, breadsticks and pizza doughs -- with easy-to-follow illustrations on how to shape and trim the loaves. Best of all, you can trust these recipes will work in your bread machine because the Betty Crocker kitchens have tested the recipes in several different machines to ensure success at home. We've also loaded up this book to include information on bread machine ingredients; glossary of bread machine ingredients, techniques, and terms; and a breakdown of the various features found on different models of machines and how to use them.
