You can build wealth by serving others and getting paid for that service—such as starting a coaching or handyman business. Consultants, restaurant owners, plumbers, and other similar vendors see a need and provide their own services in exchange for pay.

How to Become a Millionaire | Guide to Building Wealth

Traditionally, the best wealth building assets are thought to be real estate, private notes secured by real estate, and stocks. This is because each of these assets has the potential to generate continuous cash flow. While other wealth building assets can provide returns for savvy investors, these are thought to be the most high-performing.
