Explore the changing nature of the West Rather than looking at Western civilization only as the history of Europe from ancient times to the present, this groundbreaking book examines the changing nature of the West--how the definition of the West has evolved and has been transformed throughout history. It explores the ways Western civilization has changed as a result of cultural encounters with different beliefs, ideas, technologies, and peoples, both outside the West and within it. Presenting a balanced treatment of political, social, religious, and cultural history, this text emphasizes the ever-shifting boundaries of the geographic and cultural realm of the West. MyHistoryLab is an integral part of the Levack program. Key learning applications include Closer Looks, MyHistoryLibrary, and writing assessment. A better teaching and learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning- MyHistoryLab is online learning. MyHistoryLab engages students through personalized learning and helps instructors from course preparation to delivery and assessment. Improve Critical Thinking-Critical thinking questions throughout the text help students focus on what they need to learn. Engage Students-Fine art and photos engage students in the material. Support Instructors- A full set of supplements, including MyHistoryLab, provides instructors with all the resources and support they need. Note: MyHistoryLab does not come automatically packaged with this text.

NOTE: You are purchasing a standalone product; MyArtsLab does not come packaged with this content. If you would like to purchase both the physical text and MyArtsLab, search 013412720X / 9780134127200 Janson's History of Art: The Western Tradition, Reissued Eighth Edition, Combined Volume plus MyArtsLab for Art History -- Access Card Package, 8/e Package consists of: * 0133878295 / 9780133878295 Janson's History of Art: The Western Tradition, Reissued Eighth Edition, Combined Volume * 0133847896 / 9780133847895 MyArtsLab for Art History Valuepack Access Card MyArtsLab should only be purchased when required by an instructor. For Art History Survey courses Explore the reissued Janson and experience the history of art Janson's History of Art: The Western Tradition, Reissued Eighth Edition presents the same content as the text's Eighth Edition, published in 2010, now reimagined for digital learning via REVEL, and also available through the Pearson Custom Library. While remaining current with new discoveries and scholarship, the Reissued Eighth Edition maintains its focus on the object, its manufacture, and its visual character, and continues to consider the contribution of the artist as a key element of analysis. Throughout, the authors engage students by weaving a compelling narrative of how art has changed over time in the cultures that Europe has claimed as its heritage. Also available with MyArtsLab® MyArtsLab for the Art History Survey course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MyArtsLab does not include an eText. Janson's History of Art: The Western Tradition, Reissued Eighth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. For enrollments of at least 25, the Pearson Custom Library allows you to create your own textbook by combining chapters from best-selling Pearson textbooks and by adding your own content, such as a guide to a local art museum, a map of monuments in your area, your syllabus, or a study guide you've created. Priced according to the number of chapters, a custom text may even save your students money.

Librarians who work with readers will find this well-loved guide to be a treasure trove of information. With descriptive annotations of thousands of genre titles mapped by genre and subgenre, this is the readers' advisor's go-to reference. • Helps librarians answer the challenging question "What should I read next?" • Helps LIS students understand popular genres and better select books for which readers are looking • Serves as a starting point for library patrons looking for their next read

Known for both its narrative style and scientific rigor, *Principles of Behavior* is the premier introduction to behavior analysis. Through an exploration of experimental, applied, and theoretical concepts, the authors summarize the key conversations in the field. They bring the content to life using humorous and engaging language and show students how the principles of behavior relate to their everyday lives. The text's tried-and-true pedagogy makes the content as clear as possible without oversimplifying the concepts. Each chapter includes study objectives, key terms, and review questions that encourage students to check their understanding before moving on, and incorporated throughout the text are real-world examples and case studies to illustrate key concepts and principles. This edition features some significant organizational changes: the respondent conditioning chapter is now Chapter 1, a general introduction to operant conditioning is now covered in Chapters 2 and 3, and the introduction to research methods is now covered in Chapter 4. These changes were made to help instructors prepare students for starting a research project at the beginning of the course. Two new chapters include Chapter 5 on the philosophy supporting behavior analysis, and Chapter 24 on verbal behavior that introduces B.F. Skinner's approach and terminology. This edition also features a new full-color design and over 400 color figures, tables, and graphs. *Principles of Behavior* is an essential resource for both introductory and intermediate courses in behavior analysis. It is carefully tailored to the length of a standard academic semester and how behavior analysis courses are taught, with each section corresponding to a week's worth of coursework. The text can also function as the first step in a student's journey into becoming a professional behavior analyst at the BA, MA, or PhD/EdD level. Each chapter of the text is integrated with the Behavior Analyst Certification Board (BACB) task list, serving as an excellent primer to many of the BACB tasks.

REA ... Real review, Real practice, Real results. An easier path to a college degree — get college credits without the classes.
