Where Have All The Boys Gone by Jenny Colgan is a lovely romantic comedy novel with my favourite enemies to lovers trope. On her way home from a depressing blind date, Katie Watson gets mugged and she begins to seriously question her desire to remain in London.

~~Where Have All the Boys Gone? by Jenny Colgan~~

Where have all the men gone? Faced with 25, 000 more women than men in London, and gleeful media reports that it's statistically more likely for single women to be murdered than get married, Katie is reached an all-time low. But all is not lost ... Another hilarious high-concept romantic comedy from Jenny Colgan.

~~Where Have All the Boys Gone?~~

Many people claim there are a reduced number of boys in this art form because many boys have sports-heavy schedules that leave little time left over for other extracurricular activities. Another factor contributing to this gender imbalance appears to be the perception that theater is a feminine activity.
