Women and Social Reform in Modern India. : Social reforms aimed at changing the social, political, or economic status of women in India were important both to British colonial rule and to nascent nationalist movements. Debates over practices such as widow immolation, widow remarriage, and child marriage, as well as those governing marriage and property within different religious communities, continued to exert profound influence on Indian society and politics throughout the 20th century.

Social Reform Movement in India and Role of Women! The social reformers believed in the principle of individual liberty, freedom, and equality of all human beings irrespective of sex, color, race, caste, or religion. They attacked a number of traditional, authoritarian, and hierarchical social institutions and launched social reform movements to liberate the Indian women from their shackles.

Empowering women and young people was one goal of CCP social reforms. Transforming China into a communist society required a massive upheaval and restructuring of established value systems and hierarchies. To achieve this, the Chinese Communist Party (CCP) introduced sweeping social reforms affecting marriage, gender equality, education, literacy and religion.

In 1903 the Women ' s Social and Political Union was founded by Emmeline Pankhurst and her two daughters to demand the vote for women. Until 1914, when the First World War broke out, they campaigned energetically, and sometimes violently, to achieve this aim. In 1906 the Daily Mail first referred to members of the WSPU as ' suffragettes '.

Between 1880 and 1920 many women researched the conditions of social and economic life in Western countries. They were driven by a vision of a society based on welfare and altruism, rather than warfare and competition. Ann Oakley, a leading sociologist, undertook extensive research to uncover this previously hidden cast of forgotten characters.
